

# COLLINS CONDOMINIUMS

18404 Collins St, Tarzana, CA 91356  
EMPIRE USA, LLC.

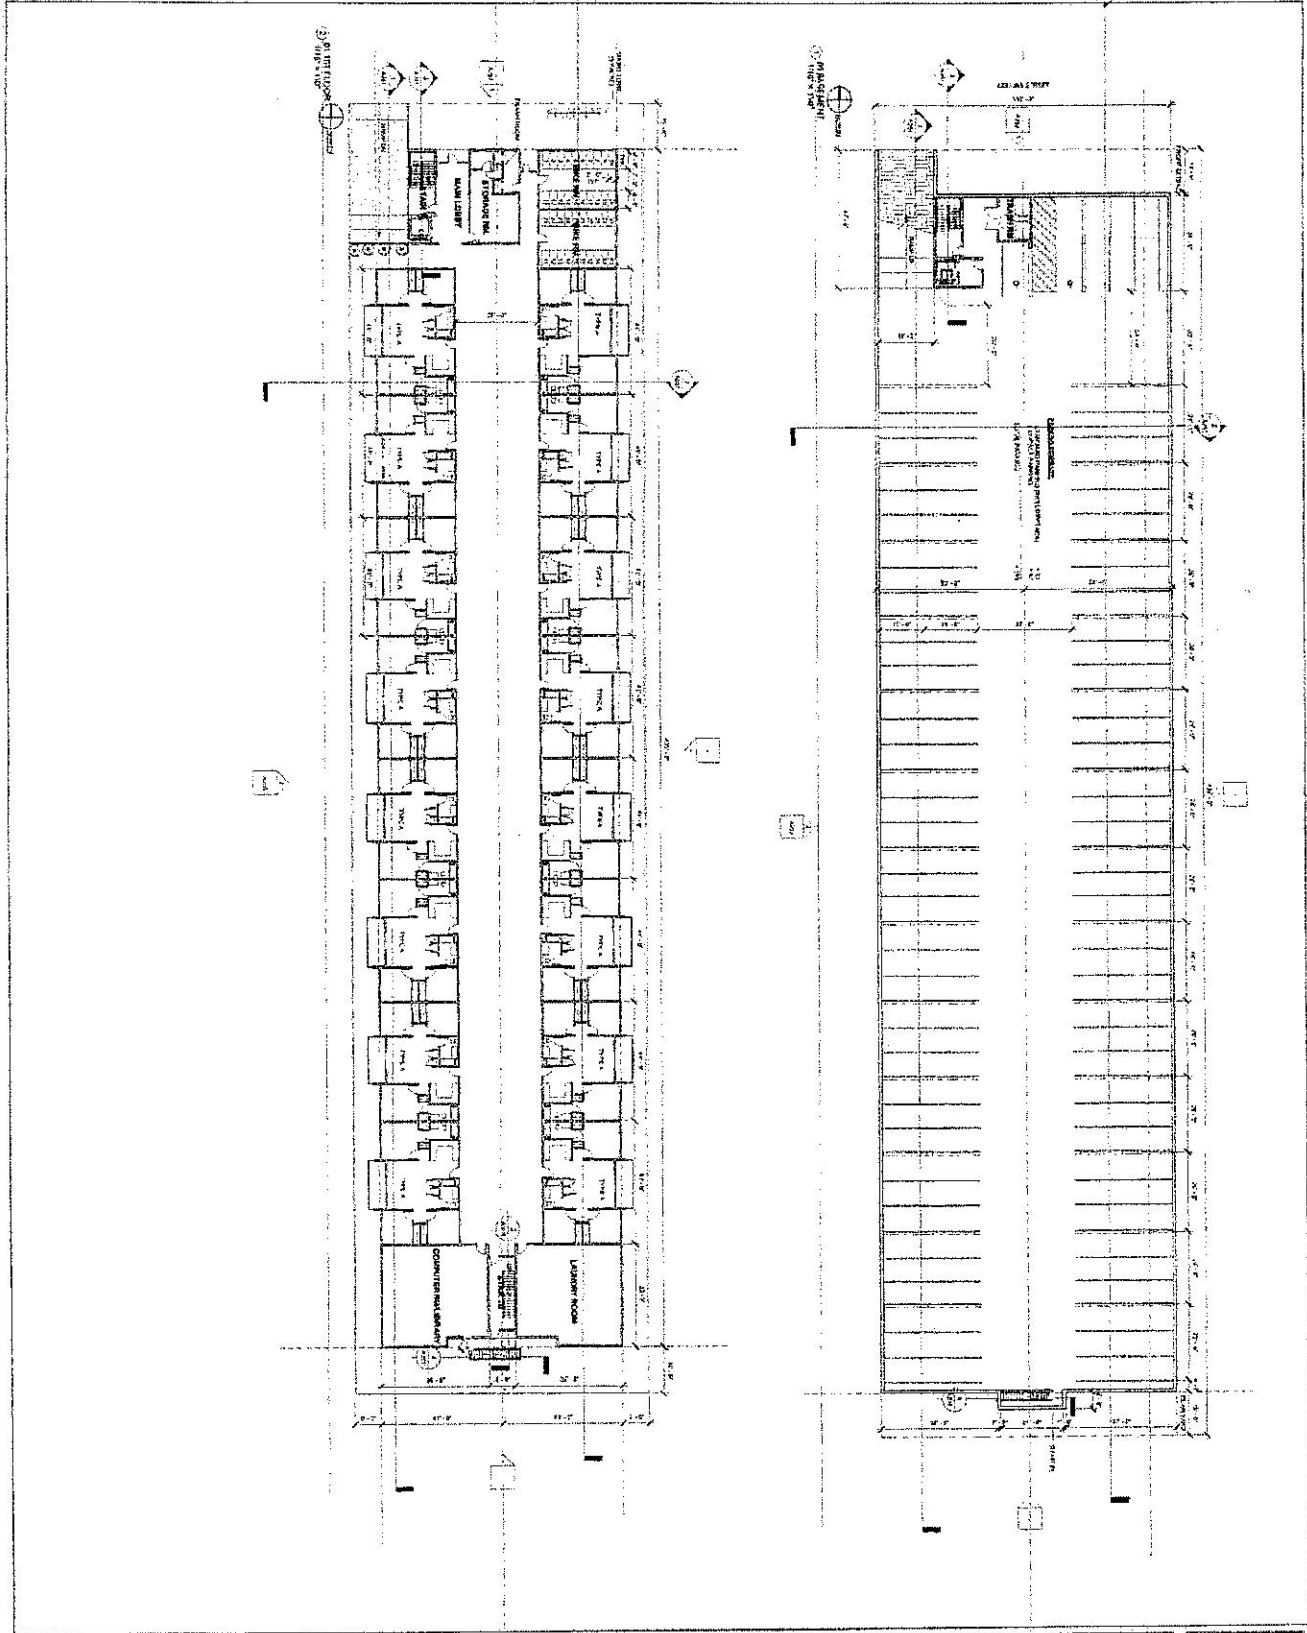

**PROJECT INFORMATION:**

- PROJECT TYPE:** MULTIFAMILY RESIDENTIAL (CONDOMINIUM)
- Lot Areas:** Dot Border = 43,599 sq. ft. (1,0009 acres), Gross (to centerline of street) = 46,599 sq. ft. (1,0698 acres), Net (same as dot border no dedications) = 43,599 sq. ft. (1,0009 acres)
- Zoning:** Existing = R3-1  
Proposed = no change
- General Plan:** Medium Residential
- Project Address:** 18404 Collins Street
- Density:** The unit count is 73 which includes 43,599/800 = 54.50 units by right and 19.08 units by 35% density bonus.  
Note: On Architectural Concept plan the Architect rounded up to 74 units but normally in subdivision work they do not allow this.  
Two spaces per unit plus 1/4 guest space per unit for a total of  $73 \times 2 + 73 \times 1/4 = 165$  spaces.  
The entire width of the site will have an underground parking garage built to the property lines and will cover all but 22.5' of the length of the property. The center of the building is open to the sky above the podium. The building setbacks are 15' front, 15' rear and 9' side. Therefore, the building area (foot print above the podium is  $(406 \times 82) - (19 \times 348.5)' = 27,019$  sq. ft.  
Landscape planters assume 6% x 43,599 = 2,616 sq. ft.  
Open Space per Arch Concept Plan = 21,286 sq. ft.  
Paved Areas =  $(406 \times 100) - 27,019 - 2,616 = 10,965$  sq. ft. which is  $10,965/43,599 \times 100 = 25.1\%$   
72929.

**VIII. Mitigating Measures:**

Feasible alternatives or mitigation measures which would substantially lessen any significant adverse impact which the development may have on the environment. The impact will be minor since the proposed project will have similar density as the existing development. However, the new project will have more parking spaces than the current development project. Neighborhood is surrounded by multi-residential development; therefore, adverse effect on the neighborhood would be minimal. The project will be appropriately landscaped.
