PROPOSED SYNAGOGUE

ADDRESS: 18831 CALVERT STREET, TARZANA, CA 91356

FINDINGS

1. That the project will enhance the built environment in the surrounding neighborhood or will perform a function or provide a service that is essential or beneficial to the community, city or region.

The synagogue is located in a residential neighborhood making it convenient for many Jewish residents to walk to this location. It is a meeting place for the Jewish community in the neighborhood where they can support each other and community concerns.

2. That the project's location, size, height, operations and other significant features will be compatible with and will not adversely affect or further degrade adjacent properties, the surrounding neighborhood, or the public health, welfare, and safety.

The synagogue will not present any hazard to the local community. Most places of worship are located in residential areas encouraging neighborhood community. The synagogue is an aesthetically beautiful building with an architectural design that will be an enhancement to the neighborhood, thereby elevating the stature of the neighborhood.

3. That the project substantially conforms with the purpose, intent and provisions of the General Plan, the applicable community plan, and any applicable specific plan.

The synagogue conforms with the General Plan, applicable community plan and any applicable specific plan's purposes, intent and provisions. The General Plan is formulated to enhance the residential atmosphere of the neighborhood. This synagogue will promote this idea.
