SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

Hope of the Valley is seeking a 5,000 grant to support the purchasing of needed items for the Tiny Home Village in Tarzana. HOTV will use this fund to provide essential items for the 76 Tiny Homes that will eventually house 148 individuals in need of shelter. Essential items will include shelter supplies, equipment, and personal protective equipment. This can include the needed tables, chairs, masks, water, food, gloves and disinfecting materials. HOTV would utilize the funds to prepare for the needs of housing the initial 76 individuals who will be utilizing services.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

This grant would afford Hope of the Valley Rescue Mission the opportunity to fully prepare for the opening for the Tiny Home Village in Tarzana. It will help those most in need with their essential items to remain safe and stable. This support will eliminate some of the most common financial barriers our program faces and will serve our clients living in Tarzana's Tiny Home Village. This support would enable HOTV to ultimately house more individuals who are experiencing homelessness in the City of Tarzana and would allow for more specialized support to increase their readiness for permanent housing.
