16. Discussion and motion: Resolved: The TNC Board approves the Executive Committee's motion regarding street lighting as follows:

That a letter be written to CM Bob Blumenfield requesting help in resolving the following situation:

The Tarzana Neighborhood Council has been informed by stakeholders that there are streetlights in our community that have been nonfunctioning for considerable periods of time. The streetlights referred to do not appear to be ones affected by the theft of copper wire. Stakeholders have also informed the TNC that requests for repair of the streetlights have not been successful. Stakeholders are concerned because they understand that streetlighting is a public safety issue. They are also concerned that as members of lighting districts they are assessed for the streetlights and should be able to expect service to keep the lights working.

The TNC Board therefore requests that CM Blumenfield ask the Board of Public Works and the Bureau of Street Lighting to investigate this situation, report back on how repairs are prioritized and what might be done to accelerate responses to requests to repair nonfunctioning streetlights.

17. Discussion and motion: Resolved: The TNC Board approves the Executive Committee's recommendation to file a CIS in support of CF-22-0002-S54 (Dog and Cat Bill of Rights) introduced by CM Bob Blumenfield at the request of the TNC.
