Mr. Harvey Goldberg Tarzana Neighborhood Council P.O. Box 571016 Tarzana, CA 91357

Dear Mr. Goldberg,

Tarzana Elementary is a Title I school located in the San Fernando Valley near Los Angeles, CA. as a Title I School, our student population is mainly made-up of low-income families. Due to this fact, school plays an integral role in the life of each of our students.

As a result of the recent LAUSD budget cuts, Tarzana elementary is in danger of losing its Accelerated Reader (AR) Software Program. Currently, the school can only fund the Accelerated Reader Program through the end of the current school year to June 2023. Accelerated Reader is a reading Software Program that includes a variety of differentiated fiction and non-fiction text that teaches students how to read, cite textual evidence, write, and take comprehension quizzes to measure progress to identify student independent reading levels. In order to fund the Accelerated Reader Program for the 2023-2024 school years, the school must raise \$1998.00. Our school motto is "Tarzana Elementary: a Bridge to the Future". Your generous support will help to lead our students on the path towards a brighter future.

For your records as well, our tax identification number is 95-6203-581-W.

If you have any questions or concerns, please feel free to contact the individual below.

Ms. Walker Tarzana Elementary school 5726 Topeka Drive Tarzana, CA 91356 (818)881-1424

Thank you very much for your time and consideration

SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

Accelerated Reader is a reading software program that includes a variety of differentiated fiction and non-fiction text that teaches students how to read, cite textual evidence, write and take comprehension quizzes to measure progress and identify student independent reading levels.

The program is used as a supplement to CA Benchmark District adapted reading program and the CA English Language Arts Standards, because it enhances student reading fluency and comprehension. In prior years, this program was funded by Title I Categorical funds, but because of cutbacks, sufficient funds are not available to fund the program for the 2023-2024 school year.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

Tarzana Elementary School is a diverse community of students with many cultures being served. The public at large always benefits from educated students who will be valuable, productive citizens in the future.
