SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.
 The West Valley Food Pantry currently feeds approximately 700 families a week. Due to inflationary costs of food, housing, utilities, medication, and numerous other expenses, our numbers are on the rise. As we endeavor to feed the hungry in our community, we ask the Neighborhood Council for financial support to help us do just that. The money received from this grant would go directly to the purchase of food and necessities for our seniors, families with school age children, and the homeless.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)
 The West Valley Food Pantry is a local non-profit coalition of churches, temples, mosques, civic and social groups that banded together over 38 years ago to feed the hungry in our community. It serves individuals who live predominantly in the west San Fernando Valley and has over 200 volunteers that purchase, pick up, take delivery of food stuffs, and serves the clients daily. Our efforts are made possible by contributions of both food and money received from the local community and our coalition members. Hunger is a silent community problem. You or your neighbor would never announce that they don't have the financial resources to feed their children. A senior who has worked hard all their lives but is living on a fixed income doesn't share the difficulty of paying for both medication and food. The West Valley Food Pantry is here to graciously assist those in need right here in our own neighborhood.
