

Tarzana NC Budget Committee
Meeting Support
May 21, 2025 Meeting

Agenda Item 5. Iris Polonsky purchased snack items for \$14.99 for the April Board meeting at Costco since it was cheaper than buying items at the supermarket. Our NC credit card can't be used at Costco since it is a Mastercard. This request is to reimburse Iris for the use of her personal credit card.

Agenda Items 7 and 8. Most years, at the end of the fiscal year, if we have money remaining, we contribute to both the Congress of Neighborhoods (usually held in September) and Budget Day (usually held in June). Both events are open to all NC members and are useful to those who attend.

Budget Day discusses the LA City Budget and the work the Budget Advocates have done in reviewing the City's Budget and the recommendations they have made to the LA City Council on the City's budget. Breakfast is generally served. The proposed contribution to this event is \$250.

The Congress of Neighborhoods is a great event with workshops on many topics that are extremely useful to all NC Board Members. Breakfast and lunch are served. The proposed contribution to this event is \$500.
