Harvey, I'd like to request some items for your next agenda.

For Budget Day \$500. It must specify budget day so it goes to that event and cannot be used for other things. The other category is budget advocacy and it's a discretionary fund administered by DONE

For the Neighborhood Council Congress in September - \$500 They are not getting any \$ from the city again this year

OneGeneration – Senior Symposium May 16, 2026 - \$1000 - I've attached the invoice. This was on Terry's agenda, but they only discussed it. No motion was passed.

2 Zoom licenses – I think they should cost no more than \$280 each but I'll check with our NEA and let you know if I'm wrong.

Thanks,

Leonard Shaffer

President, Tarzana Neighborhood Council
