POLLING LOCATION

Provide a primary and alternative polling place within your Neighborhood Council boundaries to conduct your election. The alternate location will only be used in the event the first location is unavailable. The City Clerk will verify that your primary location is available on Election Day, complies with the Americans with Disabilities Act, and has adequate parking. If no location is selected, the City Clerk will select the location used during the 2023 NC Elections or select a new location.

The City Clerk has budgeted \$150 per Neighborhood Council for costs associated with the recruitment of a polling location. In the event the cost to use the preferred location exceeds \$150, Neighborhood Councils will be required to pay the additional expenses.

DO NOT publicize the polling location before the City Clerk notifies the Neighborhood Council that the polling location is confirmed.
