Hi Lucy, That's wonderful news!!! Thank you for letting us know, and thank you to Jen Turner and everyone else who helped Mojo.

I'm going to include this in my Animal Welfare Report at Tuesday night's Tarzana Neighborhood Council meeting. It's always good to have some happy news to share!

Thank you. Best regards, Jeff

Hi Jennifer and Veronica. A Tarzana constituent has asked me to help get an extension for Mojo. Please see her emails below. Could you please grant a week extension for him? Jen stated: "I am writing to request that Mojo be granted a week's extension so that there is time for a Good Samaritan visit to an eye doctor (I am aware that the dog has conjunctivitis but I know that there are people wanting to take him to a veterinary ophthalmologist to see if there is an underlying cause and hopefully attract a rescue to help him, once the extent of Mojo's medical needs is known.)"

Thank you. Best regards, Jeff

Hey! Good morning! This Volunteer who works with a lot of dogs who need medical services at East Valley, who has fostered before, asked if I could help send out this email. I sent one bcc to all those ppl. Can you please also send an email out for me. Who knows if it'll work but want to try. It's for Mojo the bulldog she asked me to post.

Extension for Mojo (A2192144)

Hi, I am writing to request that Mojo be granted a week's extension so that there is time for a Good Samaritan visit to an eye doctor (I am aware that the dog has conjunctivitis but I know that there are people wanting to take him to a veterinary ophthalmologist to see if there is an underlying cause and hopefully attract a rescue to help him, once the extent of Mojo's medical needs is known.)

Thank you for considering my request.

JEN :)
