WHEREAS, although the Department and City Clerk's Office require ethics and funding training and sponsor other training sessions and workshops, no formalized onboarding or orientation process for Neighborhood Council board members is in place; and

WHEREAS many Neighborhood Council board members need to expand their leadership skills through advanced training in communication, coalition building, conflict resolution; and dealing with the aspects of positive interpersonal relationships, that bring about an atmosphere of inclusiveness, understanding, and empathy that helps to cope with challenges and develops those critical skills for the proper functioning of a neighborhood council board;

NOW, THEREFORE, IT IS RESOLVED that the Commission establish a policy on Neighborhood Council Leadership Orientation as follows:

POLICY NUMBER: 2020 –

1. The Department, in consultation with the City Clerk's and City Attorney's Office, shall develop a board service acknowledgement document that shall be affirmed by each Neighborhood Council board member, whether that board member is elected or selected. By this acknowledgment document, Neighborhood Council board members shall affirm that they understand the roles and responsibilities of Neighborhood Council board members and will educate themselves on and follow all applicable laws, and policies of the Board of Neighborhood Commissioners, the Department, and the Office of the City Clerk. A Neighborhood Council candidate affirmation shall also be required as part of the

candidate certification process. The Department may maintain a public list of all board members and candidates who have affirmed or who have failed to affirm.

2. The “Planning 101” Training developed by the Department of City Planning shall be required for all appointed and confirmed members of each Neighborhood Council’s planning and land use committee (or an equivalent committee). Committee members who do not complete the training shall not be eligible to vote on motions or recommendations on planning, zoning, or land use and may be subject to removal if the training is not completed within 60 days of appointment to the Committee.

ALSO, IT IS THEREFORE RECOMMENDED that:

1. The Department review, update, and circulate a Neighborhood Council Handbook as a guide for all Board members. The Commission recommends that the Department include details on how to ensure that Neighborhood Councils are inclusive of and ensure participation of underrepresented and diverse members of their communities. The Department may require each Board member to acknowledge receipt of this Handbook and may maintain a public list of those Board members who have complied and who have failed to comply.
2. The Department develop a Leadership Academy, held at most every year for executive board members (President/Chair, Vice President/Vice-Chair, Treasurer, Secretary, and any other duly selected or elected “executive” board members or an equivalent thereof).
