To Whom It May Concern:

Thank you for reaching out to Wilbur Charter for Enriched Academics in regards to applying for the Neighborhood Purposes Grant (NPG). I would like to begin introducing you to the Wilbur Charter Family.

Wilbur Charter for Enriched Academics serves a heterogeneous mix of ethnicities, religions, economic backgrounds and ability levels. As part of the larger Los Angeles Unified School District, we educate transitional kindergarten through 5th grade students, with our enrollment averaging about 640 students over the past five years. Additionally, we have a special education Pre-School program for 3-5 year olds with special needs. The racial and ethnic makeup of Wilbur has historically remained the same. Approximately 76% of our students are White, including Russian, Israeli, Iranian, and Armenian. The next highest ethnicity is Hispanic, with about 13% of our students falling into that ethnicity. The number of African-American and Asian students has stayed about the same over the same period, with an average of 4% for each. There are several languages spoken at Wilbur CEA, contributing to a rise in the number of English Learners over this same time period. The amount of Spanish speakers has stayed relatively the same, while there has been an increase in Hebrew, Russian, Farsi and Armenian speaking students.

If our school receives the Neighborhood Purposes Grant, we would like to use the money from this grant to support the Music and Arts program, which are unique programs that Wilbur Charter offers to all of our students. The Arts and Music Education program is a crucial component of a well-rounded education. Art and music education is essential to encourage the process and the experience of thinking as well as building confidence in our students and leaders. Thank you in advance.

Sincerely,

Crystal Shirley, Ed. D.
Principal

To Whom It May Concern:

This attachment page has been added to provide clarity as to which grades and classrooms would participate in receiving the 125 hours of art and music instruction at Wilbur Charter for Enriched Academics.

Each classroom at Wilbur Charter will alternate weekly between Music and Art instruction. Each classroom will engage in 45 minutes of instruction per week. The 125 hours would provide 62.5 hours for Art and 62.5 hours for Music instruction taking place over the course of 7 weeks. By receiving this grant, each classroom would receive approximately 5.25 hours of instruction.

I have also attached documents which contain the exact schedule for both Music and Art classes. Week A for Art is also Week B for Music and Week B for Art is also Week A for Music. These schedules show the exact time each classroom participates in Art and Music Enrichment Class.

Thank you for your consideration.
